

CITY OF NACOGDOCHES

WATER & SEWER UTILITY INFORMATION FORM

Water and sewer tap location and fee are determined by the Public Works Department which will require **48** hours. This fee includes all meter hardware and street cuts. The actual tap could take up to **15** working days to complete. The splitting of service for a lawn sprinkler system may be permissible and will allow for water service without a monthly garbage or sewer fee though normal connect and Public Works Fees are applicable. A utility service connect fee, payable at the Inspection Services Department at 202 E. Pilar St., Rm. 147, is required on all connections. A licensed plumber/ irrigator will be required to tie into second meter for lawn sprinkler.
